THE QUALITIES OF A LEADER

Shirley Chisholm has achieved many things during her lifetime. Write down these achievements in the purple circle. In the pink line below it, write down the qualities that you think helped her.

The worksheet is designed for a child to write about Shirley Chisholm. It features a central illustration of Shirley Chisholm with curly hair and glasses, wearing a striped shirt, enclosed in a purple scalloped circle. Surrounding her are several large, empty purple speech bubble shapes and horizontal pink lines for writing. The page is decorated with small pink dots, wavy lines, and starburst symbols.
