

ANIMAL COUNTING

DIRECTIONS :

Let's count, and write the correct number

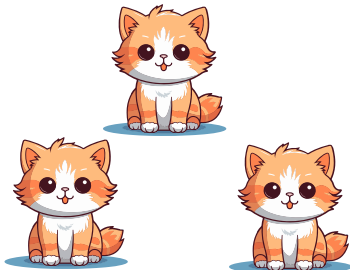

Two cartoon puppies are shown sitting side-by-side. Below them is a yellow cloud-shaped box with a dotted line and a small number '1' at the top left, intended for writing the count.

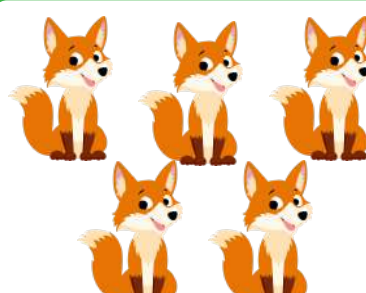

A single cartoon tiger is shown sitting. Below it is a yellow cloud-shaped box with a dotted line and a small number '1' at the top left, intended for writing the count.

Four cartoon butterflies are shown in a 2x2 grid. Below them is a yellow cloud-shaped box with a dotted line and a small number '1' at the top left, intended for writing the count.

Three cartoon cats are shown: one at the top, one at the bottom left, and one at the bottom right. Below them is a yellow cloud-shaped box with a dotted line and a small number '1' at the top left, intended for writing the count.

Five cartoon foxes are shown: three in the top row and two in the bottom row. Below them is a yellow cloud-shaped box with a dotted line and a small number '1' at the top left, intended for writing the count.

Six cartoon frogs are shown in two rows of three. Below them is a yellow cloud-shaped box with a dotted line and a small number '1' at the top left, intended for writing the count.
